JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 3 May 1963

25X1 1. [] CA Staff, called regarding 25X1
a letter which Representative Daniel J. Flood has sent to the State
Department on the subject of Government policy with respect to European
emigre groups. State has asked for the Agency's assistance in pre-
paring a reply to Flood. We will discuss this further on Monday.
25X1 Meanwhile, [] is sending a copy of the Flood letter to the Free
Europe Committee with a request that they be prepared to have someone
brief Headquarters on the details referred to in the letter.

25X1 2. [] Returned to Mr. William F.
McNamara, Assistant to the Chief Counsel, Senate Internal Security
Subcommittee, translation of a letter furnished the Committee by one
of its contacts which was written by an individual who was associated
25X1 with the [] as a translator-interpreter in 1951-52. Content
of the letter is of no interest to the Agency and appears to be of no
interest to the Subcommittee.

25X1 3. [] Delivered to Mr. Francis Hewitt, Assistant
Clerk, Senate Appropriations Committee, a copy of a letter from
Kermit Gordon, Director of the Bureau of the Budget, to Clarence
Cannon (D., Me.), Chairman of the House Appropriations Committee,
concerning fiscal 1964 CIA Budget.

25X1 4. [] Advised by Mr. Francis McNamara,
Staff Director, HCUA, that he had not yet received word from the Acting
Chairman concerning the possible appearance of [] before 25X1
the Committee. Mr. McNamara indicated that he hoped to meet with
Mr. Edwin Willis (D., La.), the Acting Chairman later in the afternoon
or very early next week. I advised Mr. McNamara that as []
will be coming on to this country sometime during the next week, some
of the time pressure concerning the Committee determination has been
removed.
